Helping You Cast an Informed Vote

The FHA 2016 Legislative Voter Guide is a resource to help you cast an informed vote on or before June 7. This non-partisan publication is intended for educational purposes only and is not intended to influence a particular election or any particular legislation. It provides candidates' positions on issues so that you can decide which candidates accurately represent your values. Candidates were asked to respond with a **Support** or **Oppose** vote for each of the issues on this guide.

Uniform effort was given to contacting every candidate listed in this voter guide. Some candidates chose not to respond, others were unreachable. We urge you to call candidates who did not respond or visit their websites to find out where they are on the issues.

An expanded version of this information is available at www.DakotaVoter.com (including the candidates' comments). Use the QR code below to navigate there now!
